

## Date/Time/Location

*Date:*

*Time:*

*Location:*

## Type and Title of Presentation

*Type:*

*Title:*

*When booked enough time in advance, prior to the speaking engagement, I will:*

- ❖ Provide a press release for your local paper*
- ❖ Provide a community events announcement*
- ❖ Be available for radio interviews to promote this event*

## Compensation

*Simple travel and lodging are requested. If you can provide food and beverage in addition to that, I will consider myself extremely blessed. Beyond these, I don't require any payment whatsoever for speaking to women's groups or community events.*

*If a Church can provide beyond these, then I consider it a blessing. A love*

*offering would be gratefully accepted.*

**Travel:**

*If the Church or event is within a half-hour of my home in Panama City, Florida, then no compensation for travel is needed. If I'm traveling by car, I will usually come with my mother. If the Church or ministry cannot afford lodging for both of us (a single room with 2 queen beds), then I'll be happy to come alone.*

*The current "business" rate/mile is preferred.*

*If distance requires air travel then I'm happy to travel alone. Economy class is fine... I don't need any special treatment.*

*While Jesus thought enough of me to die for me, I don't expect to be that special to anyone else. If I do travel by air, I'll either need a car rental or someone to receive me at the airport and provide for my return.*

**Lodging:**

*If the Church or event is within a one-hour drive of my home in Panama City, Florida, then I'm happy to commute for each day of meetings. If, however, distance requires lodging, then I do not have a problem staying with a host family or sleeping at the Church.*

*However, some place to shower would be greatly appreciated by me as well as all those within smelling distance of me.*

**Food:**

*I can be happy with water and a bowl of oatmeal, three times a day. Please be sure to provide butter and sugar. Anything more is a blessing.*

## Alternatives to Compensation

*There are several alternatives to compensation... or in addition to a love offering. These will also help me gain a client-base which will help this ministry grow.*

❖ *Please let other Churches within a 50-100 mile radius know that I'll be*

*speaking. I may be able to schedule an event at their Church the previous or following day/evening.*

- ❖ *Please agree to write a letter to 5 other Churches/Organizations within a week in which you recommend me to speak. I can provide you with a template if needed.*
- ❖ *Please write a letter of reference on your letter head in which you honestly summarize my abilities and my material. This will be used in future promotions.*
- ❖ *I have a book available that goes much more in-depth into the problems, solutions, and step-by-step action steps required to make the changes I talk about in the presentation. While not necessary (each presentation can stand-alone) it will aid in the participant's effort to change and will be a financial blessing to me. Too, it is the presentation much more expanded... not a totally different topic. So, I'd appreciate if you would encourage your members to purchase it.*
- ❖ *I'd like 15 minutes or so at the end of the presentation to talk about how I can further help... through group and personal coaching... those who are interested in radically changing their lives and to answer any questions they may have.*

### **What I Need You to Provide**

*It would be a tremendous blessing if you could provide... in addition to the travel, lodging, meal, and beverage mentioned above:*

Childcare

A quality microphone

A podium for my notes

A computer/projector for my Power Point Presentation

A video copy of the speech

A personal letter of reference (to be used in future promotions) as well as above-mentioned letters to other churches recommending me as a speaker

## Copyright Permissions

*Since changing lives is my purpose I do not mind if you put a recording on your website available for download to all parishioners.*

*Please understand, though, that I have put... literally... thousands of hours into learning and perfecting my methods; learning the "geeky" technical stuff; creating the programs; creating supporting materials; writing books, etc.*

*Speaking engagements are the way I disseminate that knowledge.*

*Please do not actively promote my content other than for an upcoming speaking event in which I am participating.*

*Needless to say, you do not have permission to sell any recording.*

## In Summary

*I am following my calling which is to teach people how to find more time for God.*

*I look at this "work" from a spiritual perspective... every person I can positively impact will—in turn—positively impact many more.*

*I know God is providing for me and rewarding my obedience.*

*And I know that one way He may do that is in the form of a love offering from your Church.*

*Know that should you choose to provide a love offering it would be gratefully accepted, however, should you be unable to do so, God will provide for me in other ways.*

*And I will be just as happy to help whomever in your congregation that may be in need of my knowledge.*

## Book a Speaking Engagement Today

*To book a speaking engagement with me, please do the following:*

*The link below will take you to my online scheduler. When you search for a date... preferable 2-3 weeks in advance... you'll need to be able to select at least one 2-hour slot of time (if you choose to do 2 that's fine as long as they are available).*

*When you select your time/times you'll get a confirmation email and I will, too. Your event will also be added to my Google calendar.*

*[marysegers.youcanbook.me](http://marysegers.youcanbook.me)*

*As soon as I get confirmation of your speaking engagement I'll create a folder for your event and all correspondence will go into that folder.*

*You can email any questions or travel arrangements to me at:*

*[marysegers@marysegers.com](mailto:marysegers@marysegers.com)*

*I look forward to helping men and women everywhere find more time for God and to become the strong spiritual beings we are designed to be.*

*Mary Anders-Segers*

*BS; MSW*
